GENERAL PROVISIONS

Acknowledgements:

I, the undersigned, being 18 years and over hereby declare and acknowledge that my participation in any event (training/competitive or leisure) or programme of activity organisation by MultiSport, is solely at my own risk.

I am aware that this is a physical activity with inherent/associated risks and such participation could constitute a risk of serious injury (including death) to myself and others.

I understand that there are many factors which may increase, support or compound such risks, such as adverse weather conditions, equipment failure, terrain, actions and decisions of other people and myself and my own physical/mental, state and condition.

I understand and acknowledge that some activities may be conducted both on public and privately owned lands and property. Therefore, I am aware that I am bound by respective laws ensuring that access and use to such property is respected and protected. Rules of the Road and Road Traffic Acts, Litter Acts, Privacy Rights and Trespass Laws among others may apply in relevant circumstances and the duty and responsibility and onus is on me to be aware and obey all such applicable laws.

I confirm that I am both mentally and physically fit and competent to engage in and undertake in MultiSport organised activities or programmes. I shall notify Multisport of any medical conditions that may affect my ability to perform various tasks and of any special requirements that I may have in dealing with the condition (emergency contact, next of kin, medication, allergy etc.)

I undertake to be a positive and supportive influence and role model while participating in Multisport organised activities and also to conduct myself in a manner which will enhance my colleagues/team mates experience/performance in reaching their respective goals.

MultiSport strongly recommends that each participant in its organised events/programmes holds and takes out the necessary and relevant personal protection insurance. It is the sole responsibility of each participant to ensure that they have the necessary and relevant insurance in place prior to taking part in any such programme of activity.

I further undertake to ensure that at all times my equipment will be maintained in good proper and safe working order e.g. bike, helmet, protective gear and all ancillary gear/equipments pertaining to the relevant discipline.

MultiSport may from time to time provide training venues e.g. running courses, obstacle courses on privately owned lands. Access to such venues is strictly on the proviso that permission (from Multisport) to use such venues has been sought and granted in each case to each participant and that the necessary waiver has been signed.

MultiSport

MultiSport participants may have access to such venues but they must seek prior approval and notify a MultiSport representative of their intended visit and also when they have completed their session. It is preferable that participants train or use such venues in pairs (or multiples) for health/safety reasons.

Further, I undertake to protect secure my equipment/gear e.g. bike from theft/damage while participating in MultiSport organised activities and that its safeguard is my sole responsibility. If a venue fails to satisfy minimum standards in terms of security then I must decide whether to proceed or withdraw from participation or ensure/provide the necessary measure to guarantee the protection of my equipment. This may involve having someone watch over my equipment and providing insurance against damage/theft etc.

MultiSport accept no liability or responsibility in the event that unauthorised images/photos/videos/recordings are taken by participants (or others) while engaging in MultiSport organised activities, and where such media is shared on social media or other promotional sites. MultiSport will seek and require that such entities hold their own relevant/appropriate insurance to protect their participants and to indemnify MultiSport from any loss/liability which may result.

MultiSport will require also that its waiver appropriate to the relevant activity is signed by the appropriate person prior to use of its venue/services.
